Two members of the 1958 Kickapoo Farms show herd. Typical of the quality bred in Chicagoland. Kickapoo is consigning five females to this sale.

Welcome to a new sale series — one which we believe will be of importance to breeders everywhere. Chicagoland has long been a source of improving Shorthorn blood. The individual herds are well known and have been doing a fine job. However, organized into the Chicagoland Shorthorn Club, our task of group action is made easier.

With over 500 of the best cows in the world in the pastures of our members, the Chicagoland Shorthorn Club is well equipped to present two history making offerings each year.

It was only natural that we were extremely careful in selecting the finest quality for this first effort. We recognized it would be necessary to please you to insure your attendance at future Chicagoland sales. Every animal selling was carefully selected by our sale committee. We look forward to your visit to Chicagoland.

Joseph Zuro
President

The Chicagoland spring sale will be held Tuesday, June 2nd, the day following the Marellbar sale.

Thumbnail Sketches of the Chicagoland Club Herds ...

William Bartholomay, Jr., Marellbar Farms and Mr. and Mrs. C. A. Butland, Spring Willows Farm.

Kickapoo Farms, Kenosha, Wisconsin. Mr. and Mrs. Stanley G. Harris, Owners. Raymon Duer, Manager. Arnulf Nilsen, Herdsman. One of the most prominent herds in the business, winners of the Get-of-Sire and Best Ten Head, 1957 International. Herd sires: Calrossie Highland Chieftan, of which 38 daughters have already been retained; Bapton Majestic, purchased at Perth, 1956; and Kickapoo Council Chief, 1955 International Reserve Grand Champion and a son of Calrossie Highland Chieftan.

Marellbar Farms, Libertyville, Illinois. William Bartholomay, Jr., Owner. John Blume, Manager. Josh Biglands, Herdsman. Famous as a breed nursery since 1937. Winners of practically every major honor that can be accorded a herd. Senior herd sire, Kair Ranger, 1957 International Reserve Grand Champion.

Melbourne Farms, Aurora, Illinois. John Alexander & Sons, Owners. Henry Watt, Manager. The original Melbourne herd was founded by John Alexander, Sr. in 1918. Later upon his death it was dispersed. It was re-established in 1946 by John Alexander, Jr., and his sons, Walter, John, Tom, and Duncan. Through careful selections and the retention of the best heifers the herd has now reached forty females of breeding age. Present herd sires are Calrossie Valiant, purchased at Perth, 1954, and Leveldale Basis, owned in partnership with Leveldale Farms.

Susanna Farms, Lake Villa, Illinois. S. J. O'Bryan, Owner. Paul Potter, Manager. Jerry Golden, Herdsman. Founded in 1938. The herd has been greatly influenced through Leveldale Custodian, \$19,000 1952 International Reserve Grand Champion. Present herd sires are Marellbar Purvis, Susanna's Basis and Susanna Basis 4th. Many of the top females offered in the past six years have gone to Susanna and in March, 1958, the purchase of the entire well known Comrie herd, owned by Robert MacFarlane, Grand Rapids, Michigan, helped bring the herd to its present strength of 75 brood cows.

Spring Willows Farm, Union Grove, Wisconsin. Mr. and Mrs. C. A. Butland, Owners. Long recognized as one of the breed's most select herds, heifers bought from this herd have produced many show winners and top sellers for others, although the Butlands themselves do not fit a show string. The imported sire Ballathie Heir is being succeeded by his son, Romany Heir. Other herd sires are Leveldale Norman by Leveldale Basis and Edellyn Prince Paul by Beaufort Bulldozer.

Windy Hill Farm, Fontana, Wisconsin. Joseph Zuro, Owner. Joseph Kodrin, Manager. Richard Carey, Herdsman. This herd founded in 1953 is rapidly becoming recognized as one of the breed's strongest and their consignment of ten lots to this sale will certainly enhance this reputation. The foundation females have been the tops offered in North America and Scotland. The herd consists of 50 imported and imported-in-dam cows and their daughters. Senior herd sire, Phopachy Maestro, purchased at Perth, 1955. Junior herd sire, Glastulich Crusader, purchased at Perth, 1957. Fontana Clipper 2nd was the grand champion female of the 1956 National Western, Denver.

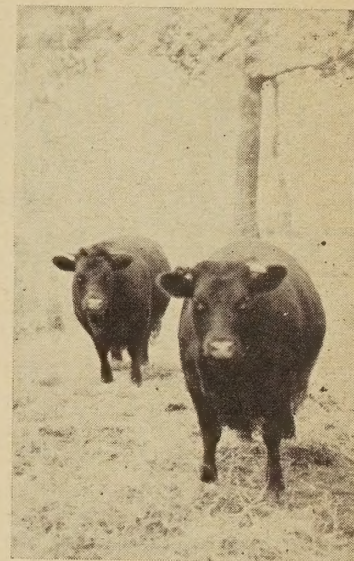

Whitehall Farms, Poplar Grove, Illinois. Owned by Anthony Petkus and his son Gerald Petkus, now attending Iowa State College. Gordon Burkey, Manager. After founding the herd on the very best, Whitehall came into important national recognition in the 1957-1958 season when five sons of their herd sire Burnton Everlasting sold for \$1,675, \$1,550, \$1,125, \$1,000, and \$1,000 in the International, Denver, and Illinois State sales. Other herd sires: Helmor Purvis 361, sire of the first prize get, 1958 Illinois State Fair; and Bapton Craftsman, purchased in the Edellyn Dispersion.

Longview Farms, Burlington, Wisconsin. W. F. Kuehneman, Owner. Jim Henderson, Herdsman. One of the strong new herds of Chicagoland. This herd is headed by Edellyn Banker Mercury, many times a champion for Edellyn, and used liberally in the Edellyn herd.

Golden Oaks Farm, Wauconda, Illinois. Robert Crown, Owner. Clarence Schultz, Manager. A small, select herd has been maintained here for ten years. Sandoon Don Juan and Bapton Flashlight were former herd sires. Most recent herd sires have come from Marellbar Farms.

**These Herds Are ALL Consigning
to the FIRST
CHICAGOLAND CLUB SALE**

You are cordially invited to visit the Chicagoland herds. Nowhere will you see a greater concentration of breed power. The cattle for the sale will all be at the Lake County fairgrounds on Sunday, the day before the sale.

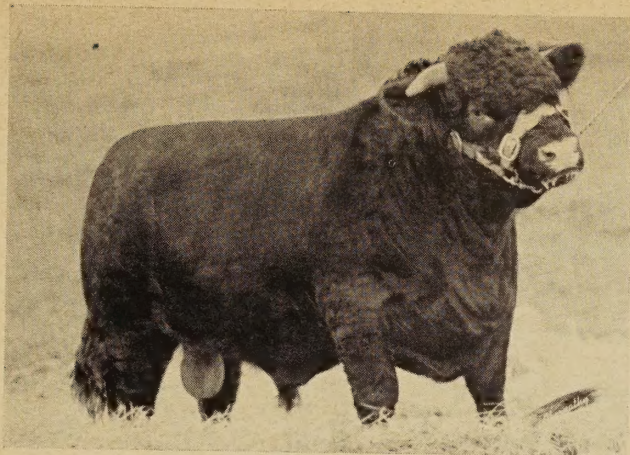

These two heifers will be sold in the Chicagoland sale by W. F. Kuehneman, of Longview Farms, Burlington, Wisconsin. They are bred to Edellyn Banker Mercury.

Susanna Custodian 32nd, Lot 3.

Susanna's Custodian 32nd — A deep, dark red calf from one of our best producing cows. A full brother to this calf was reserve champion bull at the 1956 International Congress sale, and is doing a great job for Bernard Scherer, Fowler, Indiana. Another full brother sold in our 1957 sale to David Grimes, Fillmore, Indiana. A full sister was reserve champion female at the 1955 Illinois State Fair, and her 1957 bull calf looks like one of our best. This is an exceptionally short-legged, thick calf, and bred to be a breeding bull.

Diane Potter, daughter of Paul Potter, manager of Susanna Farms, and her grand champion steer over all breeds, 1957 Lake County Fair. The steer is by Susanna Custodian 5th.

Susanna's Custodian 34th — A deep-bodied, good-headed, heavy-boned bull, not quite a year old, out of the same dam as our show steer of 1957 that won his class at the Illinois State Fair. This calf would make a good show at the later shows, and is backed by bulls of proven performance.

Susanna Custodian 21st. This bull now heads the Oklahoma herds of O. H. Deason & Sons and Bart Rayburn. Three half brothers sell, Lots 3, 4, and 5.

Susanna's Custodian 33d — A medium roan by Custodian, out of a very good Golden Drop cow by a son of Naemoor Marshall. A growthy calf, never highly fitted, with plenty of bone and a burly head. His dam and her full sister have produced some of our best cattle, and are the right kind of insurance to have behind your herd bull.

Marellbar Endorser, Lot 6. Picture taken at eleven months of age.

Marellbar Endorser — An excellent two year old bull that we have used for a season in the herd. Because of the size of our herd we no longer need him. He represents the very strongest of Marellbar breeding.

Three daughters of Burnton Everlasting in Anthony Petkus' Whitehall herd. Lot 7 is a half brother.

Whitehall Brigand — A son of our great breeding bull, Burnton Everlasting, whose sons made such an outstanding record in the 1957 International, 1958 National Western and 1958 Illinois State Sale. This is one of the few opportunities to buy a bull out of a daughter of the great breed improver, Cruggleton Perfect.

The head of **Ballathie Heir**, herd sire for Mr. and Mrs. C. A. Butland, Union Grove, Wisconsin. Their consignment features the blood of this bull.

Romany Patrol — A little young to sell but we wanted to show an example of the Romany Heir calves. This bull is as good as his Marshall-McGillivray pedigree and is line bred to be a prepotent sire.

Kair Ranger. 1957 International Reserve Grand Champion bull. Lot 25 is well along in calf to him.

Marellbar Princess Rhonda — A heifer we had definitely planned to keep in the herd. However, we know the efforts our neighbors are putting into this sale and wanted to be represented with a good one. Kinellar Metaphor sired the Reserve Grand Champion Bull of the 1958 Illinois State Fair. A maternal sister to this heifer sold for \$1,750 to Kickapoo Farms in the 1954 Marellbar Invitational Sale. The dam is a direct daughter of Cruggleton Braemar and one of the most highly regarded members of the Marellbar herd. The grand-dam is one of the best cows in the James Biggar herd in Scotland. Bred June 14 to Kair Ranger, 1957 International Reserve Grand Champion.

These Susanna heifers are typical of the nine beautiful females they are selling in this sale.

Comrie Butterfly 20th — Another Purvis heifer out of a grand old imported cow purchased in the Marshall Dispersal at a good figure. Butterfly 20th is a short-legged, thick heifer, backed by the kind of inheritance you like to put to work for you. We have several females of this family in the herd, and each is a dependable brood cow. Bred since April 6, 1958 to Susanna's Custodian 20th. Bangs vaccinated.

Curtiss Candy M Maid. Second top female of the Curtiss Candy Dispersion and the dam of Lot 29.

Susanna's Maid 8th — A daughter of Basis out of the second top female of the Curtiss Candy Dispersion in 1952. Homer Long, Grundy Center, Iowa, purchased a daughter of this cow in our 1957 sale, and was very pleasantly surprised with the outstanding bull calf she had for him. Otto Johnson, Rio, Wisconsin, used a son of this cow with great success. The kind that will make money for you every day you own them. Bangs vaccinated.

Edellyn Clara Belle 3rd. Grand champion female, 1954 International. Sold in the Edellyn Dispersion for \$4,500 to John Alexander & Sons, Aurora, Illinois. She is by Beaufort Bulldozer and is a half sister to Lot 28.

Comrie Augusta — We had earmarked most of the older females purchased in the MacFarlane herd for replacement purposes, but decided to sell some of them to make this first Chicagoland sale a success. This is a thick, deep, good-headed daughter of Beaufort Bulldozer, and is bred since January 31, 1958 to Marellbar Purvis. This is the kind of female we hate to part with, but also the kind that will make a top brood cow in any herd. Bangs vaccinated.

Susanna Basis 4th. Junior herd sire in the Susanna herd. Several half sisters and heifers bred to him sell in the strong Susanna consignment to this sale.

Susanna's Dorothy M 19th — A very sweet, dark roan, daughter of Susanna's Basis, out of a dependable producing daughter of Glastullich Spearhead. Her full sister this year is one of our best calves, and we have never been disappointed in this Basis-Spearhead cross. Sells open. Bangs vaccinated.

Peerless Minda — We purchased this cow and calf in the Edellyn Dispersion, and since they are the only cattle we own, we have decided to sell them. She is a daughter of the many times champion Edellyn Banker Mercury, and sells with a beautiful red heifer calf at foot, Edellyn Peerless Minda, sired by Bapton Craftsman, the Edellyn herd sire that sold for \$4,800 in their dispersion to Whitehall Farms. Bangs vaccinated.

Some of the brood cows at Windy Hill Farm, owned by Joseph Zuro, Fontana, Wisconsin. Their consignment of one son, nine daughters of Phopachy Maestro, is one of the strongest consignments from any one herd to be presented anywhere this year. The heifers are bred to the bull shown in this picture, Glastullich Crusader.

Left to right, **Melbourne Guthrie**, Lot 2; **Melbourne Augusta Janet**, Lot 25; and **Melbourne Clipper** 4th, Lot 24. Consignment from John Alexander & Sons, Melbourne Farms, Aurora, Illinois.
